

Myers Park United Methodist Mission Experience Scholarship Application

Dear Scholarship Applicant;

Thank you for your interest in joining us on one of our Global Mission Experience(s). This is an excellent way to grow in your faith, serve God's people, break down barriers, as well as develop wonderful friendships. Our goal is to enable people who might not have the financial means, to have part of their trip funded through a Global Mission Experience Scholarship.

Please understand that a scholarship is a "gift" from someone who is willing to make a donation to support your travel and the work of the mission team. This means that your request must be based on a real need, not upon a want. Requesting scholarships due to family income, medical expenses or other hardships would be appropriate. In an effort to be good stewards of these funds, you will find that we have asked questions that some may feel to be personal and confidential in nature. Please know that all the information you provide is critical to the process and will be held in confidence. Each application will be given a code which will replace your name and address, so that review by the scholarship committee will be blind.

Upon review by the committee a decision on your scholarship will be made and you will be notified with the results. Upon your return from your trip, you may be asked to share your experience with the Global Impact Ministry Serve team.

We know that you will be blessed by participating in this serve trip!

May God's work be revealed through you,

World Outreach Ministry Team

GUIDELINES FOR SERVE TRIP SCHOLARSHIPS

Application Process:

- Complete the Application for Serve Trip Scholarship.

About Our Scholarship Program

- The Scholarship Committee will not consider any application for a scholarship without the applicant having first submitted a complete Global Impact Ministry Serve Trip Application
- **Complete** application must be submitted to our office no later than **90 days prior** to trip departure date.
- The Committee reserves the right to limit funds for award and applicants should be prepared to pay any costs in excess of amounts awarded or to solicit other financial support.
- All scholarship recipients are required to submit within two weeks of your return a thorough testimony along with a few of photos of your experience as a result of this scholarship to nathan@mpumc.org. Not

receiving this jeopardizes your scholarship standing.

- This scholarship will be awarded as part of the final payment toward the trip. If funds raised exceed the cost of the trip, the scholarship amount will be adjusted.
- It cannot be received as cash or given directly to an individual.
- If the trip is cancelled, the scholarship can be used towards a future trip. If you are unable to participate and must cancel, the scholarship funds will return to the Serve Trip Scholarship Fund.
- All required trip preparation must be completed before the scholarship is awarded. This means that all trip team meetings must be attended, all paperwork is filled out and complete, a valid passport on hand and the balance of your trip fees is paid in full.
