

Sacred Space Surprise

Bubbles

Find your bag for November 1, open it, take out the mini bottle of bubbles and hold it in your hand.

Say: Before you open your bubbles, let's chat for a minute. I have an important question to ask you.

Ask: Do you know what prayer is? *(It's talking to God.)* Yes! Prayer is just talking to God. When we talk to God, he always hears us. Our prayers go up, up, and up straight to God's ears. I imagine our prayers going up like these bubbles float up when we blow into them. Think we should try it?

Say: Let's think of a prayer, blow it into these bubbles and watch it go up. Now some of them may pop, but that's okay because I know our prayers don't stop or get lost. They will go straight to God's ears because our prayers go from our hearts to God's ears.

Ask: Can you think of more prayers we could blow into bubbles and send up to God?

Say: Let's pray.

Pray: *God, thank you for always hearing our prayers. We place our bottle of bubbles in our sacred space to remind us you are always listening. Thank you for wanting us to talk to you about whatever is on our minds and in our hearts. In Jesus' name, Amen.*
