

Ten Commandment Action Story

Raise one finger. . .

Commandment number one
Is simple to recall:
There is only one God
Jehovah, Lord of all.

Raise two fingers. . .

Do not worship idols
Of any shape or size.
Worship only me
And all others despise.

Raise three fingers. . .

God's name is very special
Hold it in high regard.
That's commandment number three.
It isn't very hard.

Raise four fingers. . .

The Sabbath is a special day.
Do not work, but rest,
The fourth commandment tells us
The Sabbath is the best.

Raise five fingers. . .

Your father and your mother
Are gifts from God to you.
Commandment number five says
Honor them in all you do.

Raise six fingers. . .

Do not murder, God tells us
Not anything under the sun.
All God's creation is special
Each and every one.

Raise seven fingers. . .

Be faithful to the one you love
Is seven's guide for life.
This is a good commandment
For a husband and a wife.

Raise eight fingers. . .

Commandment eight says do not take
What does not belong to you.
By keeping this commandment
You praise God in all you do.

Raise nine fingers. . .

Bear no false witness, number nine,
Means in everything you do
Tell the truth about others
It is God's law for you.

Raise ten fingers. . .

There may be things that others have
That you'd like to have, too.
Number ten says do not covet;
This is God's guide for you.
