Books of the Bible

Today's story is about the books of the Bible. We explore how the 66 books of the Bible are grouped within the Old Testament and the New Testament. We also think about where the stories we've heard so far are found within the Bible.

GODLY PLAY AT HOME

- **Share your favorite Bible stories** as a family. Commit to learning one from memory. Refer back to our memory verse from Staycation Bible School and try memorizing it as a family. Look up Ephesians 6:10.
- **Wonder** aloud as a family, using the wondering questions in our video and also in this newsletter.
- **Create an art response** to today's story. Draw or paint a favorite Bible story. Draw your own version of the books of the Bible.
- **Retell today's story** in your own words. What symbols do you think are most important for telling this story?
- **Create** your own Bible cover artwork. If you were to design your own children's Bible, what would the cover artwork look like?

GROWING IN GOD'S LOVE

2 Peter 3:2

That you should remember the words spoken in the past by the holy prophets, and the commandment of the Lord and Savior spoken through your apostles.

Wondering...

I wonder where you are in this story of the books of the Bible?

I wonder if we could leave something out of the story and still have all we need?

I wonder what part of the story of the books of the Bible you liked best?

Prayer

Dear God, we give thanks for your holy word and the stories that we share. Amen.
